MEET THE ONCOLOGY EXPERT SEMINAR

Chair: Dr. Martine PICCART - GEBHART

MONTHLY SEMINAR : FRIDAY FROM 8:00 till 9:00
October to December 2022

FRIDAY OCTOBER 07, 2022

“Innovation in Radiotherapy : FLASH-therapy”

Since 2012, Professor Jean Bourhis has been chair of the Radiation Oncology Department at Lausanne University Hospital. He had previously chaired the Radiation Oncology Department at the Gustave Roussy Institute (Villejuif, France) and was head of an INSERM laboratory for translational research in radiotherapy. He has also served as President of the European Society of Radiotherapy and Oncology (ESTRO).

Jean BOURHIS, MD PhD
Lausanne University Hospital, Switzerland

FRIDAY NOVEMBER 25, 2022

“Clinical development of innovative therapeutic anti-cancer vaccines ?”

Olivier Adotevi is professor of clinical immunology at the Regional Cancer Institute, University Hospital of Besançon. He heads the “Immuno-molecular therapy in cancer, TIM-C” INSERM 1098 research team and was recently promoted to lead the unit. He has developed an innovative cancer vaccine program (UCPVax), and one vaccine is currently being evaluated in several cancers.
